If Charlie and the Ron Paul campaign comes after her we will be filing a law suit for FRAUD against the Ron Paul campaign for misrepresenting their intentions to the various volunteers...they didnt intend to win....they were just setting up rand....

Chuck Saucier

Yep...

7/28, 3:03pm

Huey Simon Jr.

Yup

7/28, 3:03pm

Daniel Hayes

Might not go anywhere....But how will that press look

Lotta people feel that way

Heard that from some high up mouths

7/28, 3:04pm

Chuck Saucier

It probably was just a threat because they are aware how effective Wendy is...

7/28, 3:04pm

Daniel Hayes

Henry already has his lawsuit pending

We will have Henry's attorney write Charlie a letter for witness intimidation

Who gives a shit if its legit... I believe in buzzing these fuckers

7/28, 3:05pm

Chuck Saucier

Scott is over on Libertarian giving James hell..apparently he contacted James asking why he invited CD in...In typical fashion James said he didn't? owe him any answers...that apparently didn't go over too well

Funny....Walter just sent them links to all his books...bwahaha....I didnt even realize that when I made my comment here

Chuck Saucier

7/28, 8:29pm

I still think Howard is safe...I cant see Susan and Keith voting to remove them...they are well liked even if he is not...a few may side with them and make it just enough to save him...

yeah I got those too

Daniel Hayes

7/28, 8:30pm

That's why we don't go for Howard

We go for James

Jennifer

And Scott

Chuck Saucier

7/28, 8:33pm

yep...

Richard Brown

7/28, 8:43pm

Do you think Jennifer may wind up being ok if you get rid of James? Or maybe Scott? I see problems with trying to remove too many at one time: First, it is harder to get people to go along with you. Second, you need to find good people to replace them all with.

I see Howard as being a problem, but I don't see it at a level to justify his removal. yet. 😊

Daniel Hayes

7/28, 8:45pm

I have replacements for them

I really dont wanna comment on it Wendy gets the money due her...but I want to send the email out asking when the directive will be honored...

I'll wait til Wendy gets her money...

or the conference call tonight...

I may message Boyd about it privately just to see if he is still trying to broker or if he thinks that will settle it...

Daniel Hayes

7/29, 11:54am

dumb ass still has not authorized payment'

Chuck Saucier

7/29, 11:54am

my guess is he announced it to see how much interest there was in taking the deal or going for broke and having the SCC force him through the directive...we hold all the cards I'm almost certain...

Daniel Hayes

7/29, 11:55am

my guess is he announced it and is probably telling Scott Lewis not to pay it to deflect of himself

Chuck Saucier

7/29, 11:56am

We already knew he owed Wendy the money...now he wants to sell it like its a good thing to throw heat of his incompetence...

Daniel Hayes

7/29, 11:56am

off himself

Huey Simon Jr.

7/29, 11:57am

Maybe be trying to drain the funds before they have to pay?

Chuck Saucier

7/29, 11:57am

...and about how much they want to pay if that is the extent of their deal that will

ok article 15 of our by laws cover judicial matters

Richard Brown

7/29, 12:33pm

but there is another provision somewhere about removing officers...I'll look

Chuck Saucier

7/29, 12:34pm

15.2 Officers and other State Central Committee members may be removed for cause by a two-thirds majority vote of all members of the State Central Committee...

Richard Brown

7/29, 12:35pm

Article 8 section 8. Any official appointed by the State Central Committee mayh be removed by the State Central Committee with or without cause.

James and Jennifer were appointed to the SCC. Scott Lewis was elected.

the bylaws suck. Provisions are scattered throughout the bylaws rather than in one place.

Chuck Saucier

7/29, 12:37pm

that's right..."appointed" is the keyword there...

them in one place.

Richard Brown

7/29, 12:38pm

You don't need "cause" to remove James and/or Jennifer.

I question whether you would have enough support to remove Jennifer.

Huey Simon Jr.

7/29, 12:38pm

I think they copied a lot of it from the national bylaws.

Chuck Saucier

7/29, 12:39pm

yep...right now all I want gone immediately is James...jennifer and the others I can isolate

Wendy Adams

7/29, 12:39pm

Howard can be removed as well he was appointed on Jan 13, 2013

Richard Brown

7/29, 12:39pm

Did Wendy or Daniel forward my "Guerilla Rules" to you all via email?

Wendy Adams

them to court...

Richard Brown

7/29, 1:04pm

Wendy, I agree with your analysis. I think the emails show that the contract was extended through July...I will keep the letter in confidence.

I note that Shane did not weigh in on the SCC directive to the chairman to reinstate your contract.

Wendy Adams

7/29, 1:04pm

What we have also realized.. that James has admitted to authorizing .. payments .. that should have been authorized by Scott

James is on the hook for it

James extended my contract

while that is not a violation of the contract it may be a violation of our bylaws that he did so w/out approval of Scott

Richard Brown

7/29, 1:06pm

James had the "apparent authority" to sign and to extend the contract. It's a legal term.

Chuck Saucier

7/29, 1:06pm

those claims I cant state when I ask for James' removal as they deal with your contract...I think I have enough charges to take down James...but if I dont have the votes I guess I will just not have the votes...

Richard Brown

7/29, 1:06pm

I think it binds the party, but James can also be personally liable.

Chuck Saucier

7/29, 1:07pm

lol...probably...I'm a rookie I'll admit...

Wendy Adams

7/29, 1:07pm

james should not manage my contract, scott masson the finance committee should and then scott sign it

Richard Brown

7/29, 1:08pm

Chuck, you don't need "cause" (or grounds) for removing James. He can be removed without cause. But, it will definitely help for the motion to state the reasons.

Wendy Adams

7/29, 1:08pm

james could oversee my projects w the parishes.. but I will propose reporting to scott

Chuck Saucier

7/29, 1:09pm

Richard Brown

7/29, 1:10pm

I think the most powerful reason for removing James is his refusal to honor his commitment to pay Wendy and the fact that he ignored the directive of the SCC to reinstate it. He will try to blame that on Scott, though. they are playing off of each other with this "authority" vs "no authority" game.

Chuck Saucier

7/29, 1:10pm

ahhhhh...lol...your right Richard...thank you for reminding me...

Richard Brown

7/29, 1:13pm

As long as Scott Lewis is claiming to be "recuperating" or on a "leave of absence" and James is acting on his behalf in any way, you and the SCC need WRITTEN confirmation from Scott that James is authorized
