Dear Fellow Libertarian,

Please renew your Libertarian Party membership today.

However, if you won't renew, at least please tell us why!

Seriously. Don't hold back! Tell us, whatever the reason.

Do it anonymously if you want to. Just detach the bottom of the reply form if you want to respond anonymously.

Thousands of heroic dedicated Libertarians donate to our party every year.

You haven't recently. And we are prepared to hear the painful truth why.

No pain, no gain!

We desperately want you to renew your membership.

We need you. Almost all of our revenue comes from individual contributors like you.

However, if you don't want to renew, we still want to know why. Perhaps we can change our ways and improve, if we know why you won't renew.

Please send us your membership renewal contribution and/or your survey response in the enclosed envelope today.

You can also renew online by going to **LP.org** (click "Join the LP" and then select "Membership Renewal"), or call us at 202-333-0008 or 1-800-ELECT-US.

If you renew, we'll mail you a new membership card, and we'll send you LP News for another year.

Every Libertarian candidate that runs for office, every vote Libertarians get, and every renewing member makes a

difference.

Thank you for your past support. Please take a minute to renew right now.

We think America needs an effective Libertarian Party now more than ever. Government has grown so much in the last ten years.

We really hope you'll renew your membership. For many people, times are tough right now, thanks to massive government regulation, government interference, and government spending on domestic programs and foreign wars.

That's why the Libertarian Party is here -- to fight all the things government does to make our lives worse.

Now more than ever, we need your help to rally the Libertarian Party and fight for the blessings of liberty.

Please renew today, or else tell us why you won't or can't.

Sincerely,

The Libertarian Party

P.S. Please send your \$25 renewal today. Or else tell us why you won't renew.

You can renew online at **LP.org** or call 1-800-ELECT-US.
