CALL TO ORDER

Mr. Sarwark called the meeting to order at 9:05 a.m. (all times Central)

Ms. Adams introduced Rex Lawhorn, 2018 Libertarian gubernatorial candidate for Oklahoma.

Dr. Lark noted that this Monday **will be** the 46th anniversary of the Party.

PUBLIC COMMENT

Richard Fast (LA) requested that the LNC consider a change to the names of Party donor association levels, specifically to re-name the “Patriot” and “Minuteman” levels.

ATTENDANCE

Attending the meeting were:

Officers: Nick Sarwark (Chair), Arvin Vohra (Vice-Chair), Tim Hagan (Treasurer)

At-Large Representatives: Sam Goldstein, Daniel Hayes, Bill Redpath, Starchild

Regional Representatives: Caryn Ann Harlos (Region 1), Ed Marsh (Region 2), Jeff Hewitt (Region 4), Jim Lark (Region 5), David Pratt Demarest (Region 6), Whitney Bilyeu (Region 7)

Regional Alternates:¹ Steven Nekhaila (Region 2), Ken Moellman (Region 3), Sean O'Toole (Region 6), Erin Adams (Region 7), Larry Sharpe (Region 8)

Not attending were: Alicia Mattson (Secretary), Joshua Katz (At-Large), Steven Nielson (Region 1 Alternate), on Starr (Region 4 Alternate), Trent Somes (Region 5 Alternate), Patrick McKnight (Region 8 Representative)

Staff included Executive Director Wes Benedict and Operations Director Robert Kraus. Contractor Lauren Daugherty (Head of Development) was present.

The gallery contained several other attendees in addition to those listed above. Dustin Nanna (OH) participated substantively throughout the meeting without objection.

Quorum was met (Bylaws Article 7, Section 10).

Special Note: Due to weather conditions in New Orleans (the Great Snowpocalypse of 2017), multiple in-bound flights were cancelled causing the unplanned absence of several LNC members. Several members were late arrivals due to weather-related conditions including Steven Nekhaila, Sean O'Toole, and Starchild.

SECRETARY PRO TEM

Mr. Sarwark moved to appoint Ms. Harlos as Secretary pro tem for the session. There was no objection.

CREDENTIALS REPORT AND PAPERWORK CHECK

Ms. Harlos confirmed the attendance roster and distributed a departure time information sheet to determine when quorum would be lost on Sunday. Staff provided copies of meeting packets.

It was noted that Mr. Bittner had resigned as Region 3 Regional Representative on November 30, 2017.

ADOPTION OF THE AGENDA

Starting from the proposed agenda, the following changes were made without objection:

- Expand Saturday lunch recess by fifteen minutes to include hotel walk-through
- Strike fifteen minutes allotted for Secretary's report
- Strike the item for rescinding previous APRC staff directives
- Strike the item for Document Destruction and Whistleblower Policies

Dr. Lark requested that Mr. Katz' agenda item regarding a change in procedure for approving litigation remain, and he offered to sponsor.

Mr. Sarwark noted that committee vacancies caused by Mr. Bittner's resignation as Region 3 Representative and Mr. Moellman's anticipated resignation as Region 3 Alternate would need to be filled (APRC, EPCC, Social Media Process Review, Candidate Support Committee, Ballot Access, and IT Committee). He suggested that these be addressed during the time allotted for committee reports.

Dr. Lark suggested that the beginning of the time allotted for consideration of the 2018 budget be dedicated to short statements by each LNC member as to items of concern and/or intent for motions to amend.

¹ Ken Moellman and Larry Sharpe took primary places at the table in place of the regional representatives

Mr. Vohra moved to add consideration of adopting changes to Party donor association levels (as suggested by Mr. Fast (LA)) to New Business Without Previous Notice. This motion **was adopted** by a show of hands with a vote total of 7-5. Mr. Goldstein requested that a specific proposal be ready for presentation tomorrow.

Mr. Redpath moved that the agenda be adopted as amended (shown below). This motion **was adopted** without objection.

OFFICER REPORTS

CHAIR'S REPORT

Mr. Sarwark had submitted a written report in advance (see Appendix A). He supplemented with comments on additions to staff including Apollo Pazell as a Campaigns Advisor and Cara Schultz as a Candidate Recruitment Specialist. Mr. Pazell was recognized for his efforts in supporting Senator Ebke in the recent controversy manufactured by the Nebraska GOP about her community showings of "It's a Wonderful Life." Mr. Sarwark also updated the LNC about his intent to run for Mayor of Phoenix, Arizona in order to lead by example (more information can be found at sarwarkforphoenix.com).

The LNC took no action.

TREASURER'S REPORT

October end-of-month financials had been distributed in advance showing \$81,763 in reserves. The mortgage has been paid down by one-half with approximately \$240,000 remaining. Mr. Hagan noted that since the Party uses the **accrual method**, the revenues for the 2018 National Convention (\$101,000 at last accounting) will not be booked until next year. Mr. Hagan fielded questions about his report which included:

- Line item accounting for convention revenues versus convention expenses
- Elimination of final mortgage balloon payment if **future payments** made as planned including Wiener Rule payments (Mr. Kraus will need to confirm **whether the** mortgage will be paid in full in this time period even if the Wiener Rule pre-payments are not made)
- Amount of mortgage payments (\$2,400 in principal and interest)
- Amount of required reserves (\$57,042 which equals one month of expenses)

Mr. Redpath noted that although the 2017 Budget reflected a deficit, there is a small surplus at least up through October.

The LNC took no action.

SECRETARY'S REPORT

Ms. Mattson had submitted a written report in advance (see Appendix B).

The LNC took no action.

STAFF REPORTS

Staff had submitted a written report (see Appendix C). Mr. Benedict made an oral presentation regarding the goals and duties for the new contractors, including the recruitment of 2,000 candidates for 2018 and 12-14 candidates in targeted local winnable races. He fielded questions on success metrics.

Ms. Daugherty gave an update on fundraising and membership recruitment efforts including the achievement of the \$10,000 goal for the house party last evening. She distributed current donor solicitation literature. Ms. Daugherty **received** a round of applause.

The LNC took no action.

EXECUTIVE SESSION

Mr. Moellman moved to enter into executive session to discuss ballot access staffing matters. Mr. Benedict stated that the subject matter concerned contractual matters and contractor evaluation and was thus properly in the scope of an executive session (Policy Manual Section 1.02.5). After debate and concerns expressed by Ms. Bilyeu, Ms. Harlos, and Starchild about the problems with secrecy, Mr. Goldstein called the question which passed by a show of hands.

The vote on this motion proceeded as follows:

Voting "aye": Demarest, Goldstein, Hagan, Hayes, Hewitt, Lark, Marsh, Moellman, Redpath, Sharpe, Vohra

Voting "no": Starchild

Abstaining: Bilyeu, Harlos, Sarwark

This motion **was adopted** with a vote total of 11-1-3.

The LNC entered executive session at 10:19 a.m. with Mr. Benedict remaining in the room. Dustin Nanna (OH) made himself available outside in case he was needed to answer questions regarding the Ohio ballot access efforts.

The LNC rose from executive session without objection at 11:12 a.m.

PUBLIC DISCLOSURE OF ITEMS DISCUSSED IN EXECUTIVE SESSION

Starchild moved that the LNC disclose everything discussed in the secret session with the exception of the names of persons not on this body.

The vote on this motion proceeded as follows:

Voting "aye": Demarest, Hagan, Harlos, Hayes, Starchild, Vohra

Voting "no": Goldstein, Hewitt, Marsh, Moellman, Redpath, Sharpe

Abstaining: Bilyeu, Lark, Sarwark

This motion failed with a vote total of 6-6-3.

Mr. Moellman moved that the LNC disclose the discussions in the **executive** session excluding any personally identifiable information which is not just limited to names. Mr. Hewitt moved to postpone until a time certain of tomorrow morning to allow members to write up specifically what is to be released. After debate, this motion **was adopted** by a show of hands.

COUNSEL'S REPORT

LNC Special Counsel Oliver Hall joined the meeting by telephone. He had submitted a written report in advance (see Appendix D).

Mr. Sarwark yielded the gavel to Mr. Vohra.

Mr. Hall supplemented his written report with an oral report and fielded questions.

Mr. Sarwark resumed the gavel.

The LNC took no action.

The LNC broke for lunch and a facility tour at 11:50 a.m.

REPORTS OF STANDING COMMITTEES

The LNC returned from lunch and a facility tour at 1:41 p.m.

AUDIT COMMITTEE

Julie Fox (Chair of the Audit Committee) was present for the meeting, and Mark R. Frye (the auditor engaged by the Audit Committee) joined by teleconference.

Mr. Sarwark yielded the gavel to Mr. Vohra.

Copies of the Independent Auditors' Report on Financial Statements Year Ended December 31, 2016 and Board Disclosure Letter dated August 9, 2017, both by Frye & Company, CPAs, were submitted in advance

(see Appendices E and F, respectively). The written confidential management letter was distributed (to the LNC only, not to spectators) during the meeting. Ms. Fox supplemented with an oral report and fielded questions. Mr. Frye advised that his research indicates sales tax does not need to be charged for political campaign merchandise.

Mr. Sarwark resumed the gavel.

Ms. Fox indicated that there were some differing opinions on the duties of the Audit Committee, which slowed down its progress. She suggested that the LNC might want to review the Policy Manual language for clarity.

Recommendations were also made to implement ACH and check positive pay; Mr. Kraus indicated that an effort to implement these procedures is already underway.

The LNC took no action.

AFFILIATE SUPPORT COMMITTEE

Daniel Hayes (Chair of the Affiliate Support Committee) had submitted a written report in advance (see Appendix G). He supplemented with an oral report and fielded questions, including 1) why some affiliates are presently using NationBuilder and 2) committee member attendance and activity issues.

The LNC took no action.

AWARDS COMMITTEE

As was planned at the August meeting, population of the Awards Committee was taken up by the LNC.

PARTIAL POPULATION OF AWARDS COMMITTEE

Dr. Lark noted that the Policy Manual (Policy Manual Section 1.03.1) explicitly suggests there should be continuity on this Committee. He also noted that as far as he was aware, two members of the 2016 Awards Committee (Dr. Lark and Mr. Hagan) submitted applications for the 2018 Awards Committee. Mr. Hayes also indicated his willingness to serve.

Mr. Hewitt moved to appoint Hagan, Hayes, and Lark to the Awards Committee (with the understanding that the two other committee members would be selected subsequently). This motion was adopted without objection.

CONVENTION OVERSIGHT COMMITTEE

Daniel Hayes (Chair of the Convention Oversight Committee appointed by Mr. Sarwark after the prior resignation of BetteRose Ryan) had submitted a written report in advance (see Appendix H). He supplemented with an oral report and fielded questions which included the following:

- “Early, Early Bird” pricing of \$399 (\$525 at door) for a gold package boosted early sales
- Revenues far exceed advance revenues for the 2016 convention (\$101,000 versus \$14,000)
- Different fund-raising opportunities such as the Welcoming Committee (\$1,000)
- Room reservations have outpaced our initial room block (1,018) and will be raised (1,607) with an 80% attrition allowance (pending approval of Mr. Sarwark)
- Additional concessions are earned with higher room sales, such as one comped unit for every 45 paid rooms

REQUEST FOR POLICY MANUAL CHANGE

Mr. Hayes stated that there is some potential ambiguity in the current Policy Manual language regarding whether other convention-related revenues would count towards donor contribution levels, such as Life

Memberships. To clarify the language, he requested that Section 2.05.2 of the Policy Manual be amended as follows:

~~Convention registration does not count towards contribution levels.~~ Contribution levels are based upon unconditional transfers of cash (or its equivalent), as opposed to reciprocal exchanges, where there is a quid pro quo such as in the case of convention package sales.

Mr. Hagan moved the above language, and Ms. Harlos moved to amend by striking the word “unconditional.” After debate, this amendment failed by a show of hands. Ms. Bilyeu moved to amend to the following language:

~~Convention registration does not count towards contribution levels.~~ Contribution levels are based upon transfers of cash (or its equivalent), where there is no exchange of goods, services, or quid pro quo, such as in the case of convention package sales.

This amendment was adopted unanimously by a show of hands. Voting proceeded on the main motion with a vote as follows:

Voting “aye”: Bilyeu, Demarest, Goldstein, Hagan, Harlos, Hayes, Hewitt, Marsh, Moellman, Redpath, Sharpe, Starchild, Vohra

Voting “no”: none

Abstaining: Lark, Sarwark

This motion was adopted with a vote total of 13-0-2.

CANDIDATE SUPPORT COMMITTEE

Sam Goldstein spoke on behalf of the Committee in light of the resignation of the prior Committee Chair Mr. Bittner. He asked the LNC’s forbearance to give this Committee until the next meeting to produce recommendations. He reported that Jim Turney and Mark Miller were appointed as the two non-LNC members.

Nominations were taken to replace Mr. Bittner. Mr. Hayes nominated Mr. Hagan, who was appointed without objection. Mr. Goldstein was named as interim Committee Chair by Mr. Sarwark.

EMPLOYMENT POLICY & COMPENSATION COMMITTEE

Jim Lark (Chair of the EPCC) had submitted a written report in advance (see Appendix I). The LNC gave a round of applause for Mr. Bittner’s prior service on this Committee. Dr. Lark supplemented his written report and fielded questions. Document retention and whistle-blower policies are still being developed.

ELECTION FOR VACANT EPCC SEAT

Nominations were taken to fill the vacant LNC-member position. Dr. Lark nominated Mr. Redpath, and Starchild nominated himself. The signed ballots using approval voting are accounted as follows:

Voter	Redpath	Starchild
Bilyeu	X	X
Demarest		X
Goldstein	X	
Hagan	X	
Harlos	X	X
Hayes	X	
Hewitt	X	

Lark	X	
Marsh	X	
Moellman	X	X
Redpath	X	
Sarwark	X	
Sharpe	X	
Starchild		X
Vohra	X	
Totals	13	5

Mr. Redpath was elected to the EPCC.

IT COMMITTEE

Sean O'Toole (Chair of the IT Committee) had submitted a written report in advance (see Appendix J). He supplemented with an oral report, particularly explaining the rationale and philosophy behind adding to the Open Source community with CiviCRM modifications and the importance of moving to official, rather than personal, email addresses at all levels. **Those working on the candidate database would welcome the assistance of people who have competence with Ruby on Rails.**

Mr. Moellman resigned from this Committee and nominations were taken to fill the vacant seat. Ms. Bilyeu nominated Starchild who was appointed without objection.

PLATFORM COMMITTEE AND BYLAWS AND RULES COMMITTEE

Mr. Marsh moved to strike the agenda items for the Platform Committee and the Bylaws and Rules Committee. This motion **was adopted** without objection.

CREDENTIALS COMMITTEE

The Credentials Committee is awaiting appointment of an interim Chair. Mr. Hayes moved to appoint Emily Salvette. Ms. Harlos then moved to appoint Susan Hogarth. **Starchild objected to the re-appointment of the same persons year after year.** As it was unknown if either Ms. Salvette or Ms. Hogarth wished to be appointed, Ms. Harlos moved to postpone voting on this appointment until first thing Sunday morning. This motion **was adopted** without objection.

BALLOT ACCESS COMMITTEE

Ken Moellman (Chair of the Ballot Access Committee) had submitted a written report (see Appendix K). Mr. Sarwark passed the gavel to Mr. Vohra and resumed the gavel during the presentation by Mr. Moellman. Mr. Moellman supplemented with an oral report and answered questions including the following information:

- **Kentucky had previously submitted a request for LNC assistance**
- Tennessee is running at 65% validity with Mr. Ebel taking over as Chair
- Status of monies spent re: Ohio and Tennessee, there was a carryover from 2017 with no new monies allotted
- Alabama is budgeted for \$70,000 with a 50/50 split with the LNC if Alabama submits viable plan
- Although the report indicates that only six (6) states have ballot access races in 2018, that figure is intended to comprise states in which we don't presently have access in which it could be obtained (or are in real danger of losing). Ms. Harlos clarified that there are more states, including Region 1 states, that have ballot access retention races
- Potential out-of-state circulator ban in New York
- The **2018** ballot access budget line was increased from \$202,000 to \$250,000 as per email discussions prior to this meeting

Mr. Moellman resigned from the Ballot Access Committee, creating a vacancy on that Committee to be filled by an LNC member or alternate via approval voting as per the Policy Manual (Section 1.03.1). Mr. Hewitt nominated Mr. Nekhaila. Mr. Goldstein moved to postpone the vote until tomorrow. Mr. Redpath moved to amend to postpone voting for an email ballot to occur within the next two weeks. After debate, the amendment **was adopted** by a show of hands. The main motion then proceeded to a vote as follows:

Voting “aye”: Goldstein, Hagan, Harlos, Hayes, Lark, Moellman, Redpath, Sharpe, Vohra

Voting “no”: Adams, Demarest, Hewitt, Marsh, Starchild

Abstaining: Sarwark

This motion **was adopted** with a vote total of 9-5-1.

Mr. Sarwark appointed Mr. Redpath as the new Ballot Access Committee Chair.

PRESENTATION OF AWARD

Mr. Benedict was given two minutes to present an award plaque to Mr. Moellman recognizing his service to the Party. The LNC gave a standing ovation in appreciation. The plaque reads as follows:

The Libertarian Party recognizes and thanks Ken Moellman for his dedicated service as a member of the LNC, Member of the IT Committee, Chair of the Ballot Access Committee, candidate, activist, volunteer, and donor.

Arrangements for a similar award plaque have been made to present to BetteRose Ryan.

REPORTS OF SPECIAL COMMITTEES

Dr. Lark took over as Secretary pro tem.

HISTORICAL PRESERVATION COMMITTEE

Caryn Ann Harlos (Chair of the Historical Preservation Committee) described the work of the Committee, provided information about the status of various Committee projects, and fielded questions, including rationale for the value provided to the Party. A report was submitted in advance (see Appendix L).

REQUEST FOR POLICY MANUAL CHANGE

Ms. Harlos noted that this Committee was originally created as an ad hoc committee which would expire at the conclusion of the LNC meeting just prior to the 2018 National Convention. However, as advised at the time of committee creation, the digitization of the records is a project that will span approximately five years, and LPedia is a Party asset that will need to be maintained for the time of its existence. To that end, Ms. Harlos moved to amend LNC Policy Manual Section 1.03.1 to insert a new table row as follows:

Committee Name	Size	Member Selection	Chair Selection
Historical Preservation Committee	Five Members	Committee Chair selected by LNC Chair; remaining four members selected by the Committee Chair	LNC Chair Selected

and to insert a new LNC Policy Manual Section 2.02.11 titled “[Historical Preservation Committee](#)” as follows:

[The HPC shall be responsible for directing the preservation and publication of Party historical documents and the administration of LPedia.org . A report of its decisions and activities shall be delivered at each LNC meeting.](#)

Starchild moved to amend by changing the selection of the Committee Chair by the LNC Chair to selection by the entire LNC. After discussion, this amendment was adopted without objection. The main motion as amended was adopted by a show of hands.

Ms. Harlos resumed as Secretary pro tem.

SOCIAL MEDIA PROCESS REVIEW COMMITTEE

Committee Chair Elizabeth Van Horn was not present for this meeting, so Mr. Hayes provided an update in her absence. The Committee did not submit a report, as it had not met during the last term but did conduct informal email discussions.

A committee vacancy was created by the resignation of Mr. Bittner. Mr. Hewitt nominated Ms. Adams. Mr. Moellman moved to postpone this appointment to be conducted by email within the next two weeks. Mr. Moellman requested that a full write-up be published describing the actual duties. After debate, this motion **was adopted** a show of hands.

ADOPTION OF 2018 BUDGET

Mr. Hagan had distributed a proposed budget in advance, gave an oral overview, and fielded questions. He noted the previously discussed increase on the ballot access line (Program Expense line "70-BallotAccess Voter Reg & Related Exp") from \$202,000 to \$250,000.

Ms. Daugherty was requested to speak on fundraising efforts and costs. Mr. Sarwark suggested that the **Bequests Receivable number of \$66,800 in the draft budget might be too low. After a brief discussion, the number was changed to \$67,800.** As previously agreed, each LNC member took turns **to comment briefly, request information, express concerns, and/or state intent to offer amendment(s).**

EXECUTIVE SESSION

Mr. Hayes moved to enter into executive session to discuss the confidential salary sheet. An opportunity for public comment was given prior to the spectators being requested to leave the room.

Mr. Sarwark passed the gavel to Mr. Vohra.

Starchild moved that the body not enter into secret session which died for lack of a second. Mr. Moellman moved that staff be allowed to remain for the beginning of the session. This motion **was adopted** by a show of hands.

The LNC entered executive session at 6:10 p.m. with Mr. Benedict and Ms. Daugherty remaining in the room.

The LNC rose from executive session without objection at 6:35 p.m.

ADJOURNMENT

The LNC adjourned for the day without objection at 6:35 p.m. and was called back to order at 9:16 a.m. on Sunday, December 10.

ELECTION OF CREDENTIALS COMMITTEE INTERIM CHAIR

Two minutes each was given for advocacy of Ms. Salvette and Ms. Hogarth after which time ballots were distributed for voting using approval voting with the following results:

Voter	Salvette	Hogarth
Bilyeu	X	X
Demarest		X
Goldstein	X	
Hagan	X	X
Harlos		X
Hayes	X	X
Hewitt		X
Lark	X	
Marsh		X
Moellman	X	X
Redpath	X	
Sarwark	X	X
Sharpe	X	X
Starchild		X
Vohra	X	X
Totals	10	12

Ms. Hogarth was appointed as interim Credentials Committee Chair.

PUBLIC DISCLOSURE OF ITEMS DISCUSSED IN EXECUTIVE SESSION (CONT'D)

Mr. Benedict had not yet arrived at the meeting, and as a result, the live-stream was not operational. No suggested wording for a statement on the items discussed in Saturday's Executive Session was submitted, so Mr. Sarwark stated for the record that the confidential discussion did not include the recent issues surrounding the potential Alabama ballot access drive.

ADOPTION OF 2018 BUDGET (CONT'D)

Starchild repeated a request from Saturday for an itemized ledger supporting 2017 revenues and expenditures and was told that it was not available. He **protested** continuing without this information. Mr. Moellman moved to adopt the proposed 2018 budget as written. Various LNC members then offered amendments to the proposed budget, as outlined below:

Mr. Demarest moved to amend expense line 7010-20 "DM Donor Renewal Expense" from \$110,300 to \$170,000 to fund a membership coordinator for an increase of \$59,700. Mr. Hayes moved to amend this motion to \$130,000 for an increase of \$19,700.

(Note: Live-stream resumed as Mr. Benedict arrived at the meeting.)

This amendment failed by a show of hands with a vote total of 5-6. Voting then proceeded on the original motion as follows:

Voting "aye": Demarest, Goldstein, Hagan, Harlos, Hayes, Hewitt, Moellman, Redpath, Sharpe, Vohra

Voting "no": Bilyeu, Lark, Marsh, Starchild

Abstaining: Sarwark

This motion **was adopted** with a vote total of 10-4-1.

Mr. Goldstein moved to add this proviso to budget line 7380-10: "No funds are to be distributed to state parties without verifiable evidence of that state having achieved its planned contribution. This requirement may be waived for states with a record of two successful drives, and with the sign-off of the LNC Executive Director and/or LNC Chair."

Mr. Redpath moved to amend by adding: "This proviso can be overridden by a majority vote." After debate, this amendment **was adopted** by a show of hands with a vote total of 12-2.

Without objection, voting proceeded on the previous question as follows:

Voting "aye": Bilyeu, Demarest, Goldstein, Hagan, Harlos, Hayes, Hewitt, Marsh, Moellman, Sharpe, Starchild

Voting "no": Lark, Vohra

Abstaining: Redpath, Sarwark

Mr. Demarest moved to amend expense line 8140 "Travel, Meeting, & Meals Exp" from \$26,000 to \$50,000, for an increase of \$24,000. Starchild moved to divide this expense line to segregate travel separately. Mr. Sarwark ruled this motion out of order as not being germane to the amendment of the budgeted amount.

After debate, voting on this motion proceeded as follows:

Voting "aye": Bilyeu, Demarest, Goldstein, Hagan, Hayes, Hewitt, Marsh, Moellman, Sharpe, Vohra

Voting "no": Lark, Starchild

Abstaining: Harlos, Redpath, Sarwark

This motion **was adopted** with a vote total of 10-2-3.

Mr. Demarest moved to amend revenue line 4375 "Branding/Political Materials" and expense line 7375 "Branding/Political Materials" from \$100,000 to \$125,000, for an increase of \$25,000 on each. After debate, this motion **was adopted** by a show of hands with a vote total of 12-0 with 2 express abstentions.

Mr. Goldstein moved to amend to add the following proviso to budget line 7380: "Ballot access encumbrances for 2018 may only be authorized by a two-thirds vote of the Executive Committee, and the total expended shall not exceed the amount authorized in the budget."

Mr. Moellman moved to amend the Goldstein motion to strike the words "two-thirds." After debate, the vote on this amendment proceeded as follows:

Voting "aye": Bilyeu, Hewitt, Marsh, Moellman, Redpath, Vohra

Voting "no": Demarest, Goldstein, Hagan, Harlos, Hayes, Lark, Sharpe, Starchild

Abstaining: Sarwark

The amendment failed with a vote total of 6-8-1. Voting then proceeding on the original motion as follows:

Voting "aye": Demarest, Goldstein, Hagan, Harlos, Hayes, Hewitt, Lark, Marsh, Redpath, Sharpe, Vohra

Voting "no": Bilyeu, Moellman

Abstaining: Sarwark, Starchild

This requirement may be waived for states with a record of two successful drives, and with the sign-off of the LNC Executive Director and/or LNC Chair. This proviso can be overridden by a majority vote.”

BUDGET PROVISIO (attached to 7380): “Ballot access encumbrances for 2018 may only be authorized by a two-thirds vote of the Executive Committee, and the total expended shall not exceed the amount authorized in the budget.”

AMENDMENT TO THE PROCEDURE FOR APPROVING LITIGATION

Dr. Lark raised concerns regarding the process for approval of the last *amicus* brief, which he believes was filed without adequate lead-time for review. Mr. Sarwark stated that this can be avoided in the future if it is made clear to any outside counsel that as an ideological organization, we will want to carefully review all statements rather than just ceding judgment to the attorneys and happily signing off.

SELECTION OF 2020 NATIONAL CONVENTION LOCATION

Informational materials on the bids were distributed to the LNC in advance. Mr. Hayes introduced the presenters for the three hotels/locations under consideration for our National Convention on Memorial Day weekend 2020 as follows:

- Ms. Whitney Gafford for the JW Marriott Austin (TX)
- Ms. Sarah Habiger for the Renaissance Glendale Hotel & Spa (AZ)
- Mr. Brian Broom for the Marriot Marquis Atlanta (GA)

Mr. Sarwark passed the gavel to Mr. Vohra.

The representatives fielded questions from the LNC both individually and as a group. Topics covered included:

- Operating hours for pool, spa, and bars

- Availability of free parking
- Amenities included in guest rooms
- Square footage of guest rooms
- Rules concerning the open or concealed carry of firearms
- F&B minimums
- Typical weather at that time of the year
- Signage and visibility for convention
- Shuttles to and from airport or places of interest
- Handling of noise complaints
- Wi-Fi availability and charges
- Adequate staffing of front desk for check-in

Mr. Sarwark resumed the gavel and presided over discussion on the timing of a vote on this decision. One of the factors in the discussion was the possibility of showing our strong support for Second Amendment rights in a gun-friendly venue with the concurrent publicity that may ensue.

Mr. Goldstein moved that the LNC proceed to a vote on the three potential locations using ranked choice voting. This motion was adopted without objection. Mr. Sarwark requested that all members sign their ballots. After debate and recess, ballots were distributed with the following results:

Voter	Austin	Glendale	Atlanta
Bilyeu	1	2	3
Demarest	1		
Goldstein	2	3	1
Hagan	1	2	3
Harlos	1	2	3
Hayes	2	3	1

Starchild	1		
Vohra	1		2
Totals (Rank 1)	9	0	5
Totals (Rank 2)	5	4	3
Totals (Rank 3)	0	6	4

Austin, having received the majority of rank 1 votes on the first round, was selected as the location for the 2020 National Convention. Some LNC members responded with a rousing rendition of “Deep in the Heart of Texas.” Mr. Kraus relayed the thanks of the Austin Convention and Visitors Bureau who will be providing a free musician for our opening night as well as publicizing the convention.

SELECTION OF APRIL LNC MEETING LOCATION

Information regarding four potential locations (Alexandria, Denver, Los Angeles, and Phoenix) was distributed to the LNC in advance. The LNC was reminded that it was previously decided that this meeting be held in location with legal recreational marijuana since the timing of the meeting coincided with “420.” Ms. Harlos stated that as the first state to legalize recreational marijuana, Colorado would feel snubbed if they were overlooked for this

“themed” meeting and fundraising party. Further, long-time Party members Michele Poague and Kevin Gulbranson have agreed to host a Friday night fundraising party at their Colorado country home.

Voter	Alexandria	Denver	Los Angeles	Phoenix
Bilyeu		1		
Demarest		1		
Goldstein	3	1	2	4
Hagan	4	1	2	3
Harlos	4	1	2	3
Hayes	3	2	1	4
Hewitt	4	3	1	2
Lark	2	1	4	3

Totals (Rank 2)	2	4	4	2
Totals (Rank 3)	4	1	2	3
Totals (Rank 4)	4	0	1	5

Denver, having received the majority of rank 1 votes on the first round, was selected as the location for the April 2020 LNC Meeting (hotel TBD).

NEW BUSINESS WITHOUT PREVIOUS NOTICE

CHANGES TO NAMES OF PARTY DONOR ASSOCIATION LEVELS

Ms. Bilyeu moved that the LNC direct the Head of Development to review the membership program and present recommendations at the next LNC meeting.

Starchild moved to amend to add that the “Patriot” and “Minuteman” level names would be specifically reviewed. After debate, this amendment failed by a show of hands with a vote total of 5-7. Voting then proceeded on the original motion which **was adopted** by a show of hands with a vote total of 12-2.

Ms. Daugherty assured the LNC that those two names in particular were already items she had planned on reviewing.

DONATION TO THE CAMPAIGN OF ALISON FOXALL

Mr. Marsh moved to suspend the rules to add five minutes to the agenda at this point to consider a contribution to a Libertarian campaign. This motion **was adopted** without objection.

There is a special election for Florida State House 72 (Sarasota) due to the resignation of the officeholder. Libertarian Alison Foxall is running against a Republican and a Democrat.

Mr. Sarwark passed the gavel to Mr. Vohra.

Mr. Marsh moved for the LNC to contribute \$1,000 to the campaign of Alison Foxall. Mr. Marsh informed the LNC that Ms. Foxall does not want any campaign contributions to be over \$1,000. Her Republican opponent

does not presently live in the district, and she has already raised \$14,000. Jess Mears is her campaign manager. The number of votes needed to win is estimated to be between 6,000 and 7,000.

After debate, voting on this motion proceeded as follows:

Voting “aye”: Bilyeu, Harlos, Hayes, Hewitt, Marsh, Sharpe

Voting “no”: Hagan, Lark, Redpath, Starchild, Vohra

Abstaining: Demarest, Goldstein, Moellman, Sarwark

This motion was adopted with a vote total of 6-5-4.

2017 Annual Report Affiliate Support Committee Libertarian National Committee

Policy Manual Charter:

The Affiliate Support Committee (ASC) shall identify the needs and interests of the various affiliates. In addition,

The ASC shall identify those affiliates that are in particular need of assistance that the LNC can provide.

The ASC shall deliver a report to the LNC for the last LNC meeting of each calendar year, identifying and prioritizing those needs and interests of the various affiliates. This ranked list shall be taken into consideration when drawing up the following year's budget, and throughout the year as needed. This list will also assist the Executive Director in deciding how to assign tasks to staff, by identifying those services that staff provides to the affiliates that are the most desired.

The ASC shall also, as and when needed, recommend to the LNC measures that will address the particular affiliates that need assistance from the LNC. The ASC will also establish a process for tracking the progress in meeting those needs.

The ASC members, with assistance from Affiliate Support Specialist, Andy Burns made attempts to contact a member of the state executive committee of all 51 affiliates via Facebook private message, direct emails, emails to the State Chairs list, and phone calls.

Mr. Burns again formatted the survey for the committee using a platform known as Typeform, that created many answers that could be completed by clicking a selection on the form or entering the data in the appropriate field. Completion of the survey then generated responses in many various formats. The results from 38 of 51 state affiliates can be found at:

LNC Service Level

Affiliates 2017 score of LNC's current service continued the shift towards more positive responses as compared to previous years. The increase was very small from 2016. The average reported service level for 2017 was 3.66 vs 3.65 for 2016.

Recommendations:

1. Continue supporting contractor(s) or staff member(s) who focus on Affiliate Support.
2. Continue empowerment of the Affiliate Support Committee to assist affiliates.
3. Fund the CRM State Project to provide states with enhanced data management.

EMPLOYMENT POLICY AND COMPENSATION COMMITTEE REPORT

Submitted to: Libertarian National Committee, Dec. 4, 2017

Submitted by: James W. Lark, III Region 5 Representative, Libertarian National Committee Chair, Employment Policy and Compensation Committee

The members of the Employment Policy and Compensation Committee (EPCC) are Joshua Katz and Jim Lark. They were elected during the LNC meeting on May 30, 2016. Brett Bittner served on the EPCC from his election on May 30, 2016 until his resignation as Region 3 representative on Nov. 29, 2017.

The members of the EPCC express our appreciation and gratitude to Mr. Bittner for his service to the EPCC and the LNC.

1) The EPCC has nearly completed its revision of the Employee Manual. (The uncompleted aspect involves improving the wording of information about medical insurance for employees.) We anticipate sending the final draft to Oliver Hall (LNC special counsel) for his review within ten days. We also anticipate that the revision will meet with his approval.

2) Based upon feedback received from LPHQ staff and Mr. Hall, the EPCC is considering ways to improve the proposed “Whistleblower Protection” and “Document Retention” policies. The EPCC will endeavor to have provide revised proposals for consideration by the LNC no later than March 31 next year.

Report to the Libertarian National Committee December 9, 2017

The focus of the IT Committee since the August LNC meeting in Kansas City has been on three initiatives: email, the state CRM project, and the candidate database.

Email. Ken Moellman has expended considerable time on the setup, implementation, and documentation of our new email system. At this point, we have eight states and the LNC operational on the system. The next task to be completed is automating the periodic backup of emails to cloud storage.

State CRM Project. Andy Burns has concentrated on building our proof-of-concept for the state CRM project. Funding allocated at the August LNC meeting has been spent on creating a functional system that is now in use in four states albeit in primitive form. The base, opensource, civiCRM installation has been hardened with various security enhancements; interaction between state websites and the CRM has been simplified; tracking for email campaigns has been implemented; and schemes for the importation of data have been explored and planned.

Andy has assembled a thorough report on our progress that will be delivered separately.

Candidate Database. The candidate DB project is behind schedule as our volunteer developers, Steven Haddox and John Athayde, have had less time to commit to the project over the past 90 days. As of now, progress is as follows:

- The administrative interface is completed for a version 1 deliverable — candidates for specific offices in specific jurisdictions can be created.
- Styling for the public-facing side of the app is mostly complete.

What needs to be completed is the search component that will allow a user to view Libertarian candidates in races specific to their state, county, city, and zip code.

CAMPUS ORGANIZING REPORT

Submitted to: Libertarian National Committee, Dec 4, 2017

Submitted by: James W. Lark, III
Region 5 Representative, Libertarian National Committee

This report will provide information concerning efforts to build and support Libertarian campus organizations. I shall provide an updated report at the LNC meeting in New Orleans should additional information become available.

- 1) I continue to respond to inquiries from people who want information about the LP campus outreach effort. I am usually able to respond within 24 hours.
- 2) I continue to work with various state and local LP organizations to assist their campus outreach efforts. In particular, I work with state campus outreach coordinators to assist their programs to build campus organizations and assist campus activists.
- 3) I continue to work closely with Students For Liberty to build libertarian groups at high schools and colleges. (I am a member of the Board of Advisors of SFL.) As part of this effort, the SFL leadership and I have found ways for the LP to use the services available from SFL. We must take care in the ways we work together to avoid jeopardizing SFL's 501c(3) status.

I am pleased to report that I had the honor of giving addresses at Students For Liberty regional conferences at the University of Missouri (Columbia) on Oct. 14 and the University of North Carolina – Charlotte on Nov. 4. (An article about the Missouri conference is available at www.studentsforliberty.org/2017/10/17/open-hearts-open-markets-mizzou/.) I shall work with Wes Benedict to organize an outreach effort at LibertyCon 2018 (the 11th annual SFL international conference) in Washington, D.C. next March.

I gave addresses at the European Students For Liberty regional conferences in Podgorica, Montenegro on Sept. 23 and London, England on Nov. 11. Unfortunately, due to scheduling conflicts I could not accept invitations to address the ESFL conferences this fall in Belfast, Vienna, Sarajevo, and Stockholm.

- 4) LPHQ receives a relatively steady stream of inquiries by e-mail concerning internship opportunities at LP and state parties. Robert Kraus continues to do an excellent job in responding rapidly and professionally to these inquiries.
- 5) I continue to work with Young Americans for Liberty on several projects. In particular, I work with YAL campus activists in various ways.
- 6) I serve as a member of the Foundation for Economic Education Faculty Network. I may develop a couple of FEE workshops on understanding public policy data and risk analysis.

INTERNATIONAL REPRESENTATIVE REPORT

Submitted to: Libertarian National Committee, Dec 4, 2017

Submitted by: James W. Lark, III
Region 5 Representative, Libertarian National Committee

This report will provide information concerning my efforts as International Representative since the LNC meeting in Kansas City to assist the work of libertarian political parties and activists throughout the world.

1) Geoff Neale, chair of the International Alliance of Libertarian Parties (IALP) (and former LNC chair), has informed me that the IALP is now formally organized as a non-profit organization in Belgium, with a bank account in Brussels.

He indicated that a major priority is a relaunch of the IALP website. (Mr. Neale is evidently financing the relaunch out of his own pocket.) He also noted that the IALP now has 19 member parties; in the near future the IALP will vote on admission of a libertarian party in Portugal.

2) I addressed the European Students For Liberty regional conferences in Podgorica, Montenegro on Sept. 23 and London, England on Nov. 11. I had hoped to meet with Andrew Withers (IALP secretary) while I was in the London area. Unfortunately, he was departing on a business trip to Madrid around the time I arrived in England.

I have been invited to address the European Students For Liberty conference in Belgrade in April. I plan to accept the invitation.
