Counting ballots using Scottish STV. There are 43 candidates competing for 9 seats. The number of ballots is 14 and there were 14 valid ballots and 0 empty ballots.

The bar charts below show the vote counts for each candidate in each round. Place the mouse over a bar to see the number of votes.

- Yellow — Votes carried over from the previous round.
- Green — Votes received in this round.
- Red — Votes transferred away in this round.

A candidate's votes in a round is the sum of the yellow and green bars. Since the green and red bars represent votes being transferred, the sum of the green and red bars is the same.

The exhausted bar represents votes where the voter did not indicate a next preference and thus there were no candidates to transfer the vote to.
