LNC Membership Changes Since August Meeting

Pat Ford (RI) was elected as the new Region 8 Alternate. I spent some time on-boarding Mr. Ford regarding procedures.

Committee Membership Changes Since Last Report

Awards Committee: Tim Hagan, Jim Lark, and Bill Redpath were elected as the LNC members of the Awards Committee (see 190727-5).

Bylaws Committee: Joseph Bishop-Henchman (DC), Andy Craig (MD), Cris Crawford (MA), Richard Longstreth (AZ), Alicia Mattson (CA), Chuck Moulton (PA), Kenneth Brent Olsen (CA), Mark Rutherford (IN), Paige Sexton (TN), and Chris Thrasher (RI) were elected as the LNC-appointed members of the Bylaws Committee for the 2020 national convention (see 190922-1 Chris Wiest (KY), David Blau (MA), Alex DiBenedetto (AZ), and Shawn Levasseur (ME) were elected as ranked alternates in that order. Mark Rutherford was appointed as the interim committee chair.

Committee Appointments Remaining

Awards Committee: The remaining two (2) seats need to be populated which can be filled by either LNC or non-LNC members. The committee will then need to elect its chair.

Credentials Committee: California, Texas, Florida, New York, and Ohio have each earned one seat and must name their appointments by January 31, 2020. The LNC is making its five (5) appointments at its November budget meeting in accordance with its appointment deadline of November 31, 2019.

Platform Committee: The deadline for Platform Committee appointments from both the LNC and the designated affiliates is November 31, 2019. The LNC will make its ten (10) appointments (with ranked alternates) at its November budget meeting.

The ten (ten) affiliates entitled to Platform Committee appointments were calculated as follows:

Convention

I solicit Ms. Mattson's guidance as convention approaches. There are no handbooks, checklists, or other training material that is routinely passed down from one secretary to another. I will start creating these materials as no one should have go into convention half-blind. I renew my request to Ms. Mattson for all of the forms and templates used at last convention specifically, ballots, motion templates, excel vote spreadsheets, audit spreadsheets, and the like. It is difficult to specifically request items when I do not know what exists. I had previously requested the Delegation Chair manual and the Delegate Allocations and Region Formation manual and was told that these items were Ms. Mattson's personal work product and would not be passed down. I disagree as they were clearly sent

out under the authority of a Party position and thus Party work product. However, I will recreate from scratch over the next few weeks. I am setting up conferences with some past national secretaries for their mentorship.

To assist future secretaries, I am creating a spreadsheet that auto-calculates convention deadlines. You can view this work in progress at tinyurl.com/convention2020deadlines

Delegation Allocations: The delegate allocation figures are due on the last day of November 2019, and I am presently working on them. Mr. Kraus has provided the final figures. I will also notify the states that will have earned credentials and platform committee seats for the 2022 convention so that they can plan well in advance.

Misc.

Health Issues: I thank my colleagues for their forbearance over the past year as it has been very difficult for me health-wise. I am hopeful that it is all has been addressed with the latest medications prescribed to me, but it will take a while for them to remediate the extreme fatigue brought on by hypothyroidism.

Website: Mr. Fishman has provided me access to the website in order to update committees and upload current documents. This will relieve staff from that duty.

Other Activities

- Submitted articles for LP News
- Providing monthly delegate information content for Liberty Pledge
- Continued contact with state affiliate chairs and members to offer assistance
- Sent thank you emails to member attendees at the August meeting

Pending Issues

At the September meeting, motions to amend the Policy Manual regarding the APRC and a records hand-off procedure were tabled and postponed indefinitely (see Ballots 180930-6 and 180930-15 respectively). Dr. Lark indicated a potential interest in working on proposed re-worked language with me. These items remain pending. Additionally, I noted multiple stylistic inconsistencies in the Policy Manual that should be smoothed out with proposals being submitted at the August meeting and subsequently postponed for the November budget meeting.
